

MENTAL HEALTH FIRST AID

What is Mental Health First Aid Training?

Mental Health First Aid training teaches you how to identify and help someone who is developing a mental health problem or experiencing a mental health crisis. The training helps you identify, understand, and respond to signs of addictions and mental illnesses. Topics covered include anxiety, depression, psychosis, suicide, and addictions. This one-day training session is presented by Denton County MHMR. The course provides CEUs, CPEs, and other required credits.
